

**Town of Tinmouth
Select Board
October 13, 2016
Special Meeting Minutes**

Members present: Matt Patry and Frank Sears via telephone

Others present: Eric Buffum – Road Commissioner and Gail Fallar- Board Assistant

Matt called the meeting to order at 7:05 PM.

Eric presented information regarding a used 26 ton trailer located in New Hampshire (to haul the new excavator and/or skid steer). He had inspected it and found it solid. Asking price was \$6,000 and for another \$250 the guy would deliver it. Frank asked many technical questions, including safety features, etc. After brief discussion, Matt moved to purchase this trailer and have it delivered, Frank 2nded provided that it arrived in good working order, both voted in favor, motion carried.

Gail advised that the water leak between the fire house and the town office had been repaired by running a ½ inch pex line through the 1” existing line. No digging was necessary.

Meeting adjourned at 7:15 pm.

Respectfully submitted,

Gail Fallar Board Assistant
